Romeo,

"The bats felt great, they are some of the highest quality bats I have used. My first game using them I went 3-4 with a 2B,3B, and a HR. I have to say that these are the best bats I have felt since I started playing. Great job guys"

(Florida Marlins AA)

Romeo,

"Great bats. I got 2 hits my first time using them. They have a overall great feel. Thanks"

(Colorado Rockies)

My Good Friend,

" I used the first 2 bats ordered from BB and must say that they are top quality bats made by people who know and love bats as much as we do who know that our bat is our tool of our trade. The Bell nob that is offered is super. I have at one time or another, used almost every bat made and the bats from BB are amongst the best. Keep up the good work and as the word spreads you will be with the best of them. I plan on ordering more bats in the near future, as I feel that I have found my bat supplier for keeps. Thank you for your integrity and a great bat "

(Independent league)

Diablo Bats,

"The bats look great. I am referring you to some of my teammates for future orders "

Dear Romeo,

I meet you in Cooperstown NY at a NABA National wood baseball tournament.

Your product is out of this world. I used your R40 in the finals at

Cooperstown NY my first swing with the maple drove a ball way over the left field screen at Double Day Stadium. I want to Thank You for coming to Cooperstown and letting us buy such a great baseball bat. Keep up the Great work and Lots of luck with your business.

(Tri-State Titans 18A, Back-to-Back National NABA Tournament Champions)

Diablo,

I used one of your bats at a naba tournament a few weeks ago and it was the hardest wood bat I have ever used. I have ordered several other bats since and they all hit the same. Thanks for making such a great product and I will do my best to spread the word.

(Independent League)

Romeo,

Guys,

I just had to write to say thanks. You guys delivered two weeks earlier then you said and I love the way they look. I hope you don't mind, but I put the bats you sent me on a scale to see if they were the weight I ordered and they were off by less then .02 oz. That goes to show that you guys deliver what you promise. Thanks!

(NABA)

Diablo,

Romeo thanks for taking the time to talk to me on the phone. I know I was a bit of a pain in the a#% but bats are expensive and I just wanted to know what I was getting. Having you explain the process of how you make your bats, and the work that goes into each model showed me that you care about your customers. I will recommend your product to the rest of my team.

(Independent League)

To Whom It May Concern,

I just received your bat on Monday and the thing rocks. I took it to the cages and can not wait to play on Sunday. You'll be hearing from me real soon for a larger order. Thanks!
